

This is a great year for missions and Cocal Gracías is excited to host your group in Puerto Cortes, Honduras. Each team can be a mix of ministry, construction, education or medical. Below are the current price per team member depending on the length of stay. Prices include: Hotel, Transportation, Food, T-shirt, and Admin fee.

Eleven Day Trip: \$990

Groups may be from 4-15 people. Larger teams or individual volunteers will need to contact Cocal Gracías for special pricing.

Does not include Airfare or Travel Insurance.

Airfare can be purchased through a travel agent, online, or through www.expedia.com
Travel insurance can be found at cheap rates either individually or for a group at
Good Neighbor Insurance <https://www.gninsurance.com/travel/missionary/>

\$500 Medical Emergency fund - to be brought by team leader for emergencies. A team leader should have this cash on hand or in a credit card for any injury emergency to pay at the hospital.

We encourage our teams to get involved in ministry and relationship building. Team members should think of the talents and gifts God has given them to use them in a class setting where we can invite students and the community. Team members should come up with and prepare seminars or workshops to be taught during their stay and/or to get involved with MLV classes.

Past seminars have been: Baking pies, Internet and how it works, Basic electric switch installation, Cake decorating, Christmas ornament craft, Hand-made announcement cards, Sewing classes, Basic guitar, Crochet 101, English 1, Conversation, Personality types, Dispensation of the church, Spiritual gifting, etc. We look forward to what you can teach us! We ask that all team members who are Christians be prepared to give a devotional or testimony.

Additionally, teams can prepare a children's program, visit the sick in the community or in the hospital, do street ministry and give care packs. We also welcome teams with a medical emphasis, art emphasis, or music emphasis.

With these exciting opportunities, teams are expected to collaborate with us on certain projects that could not otherwise be completed without their help. Many mission team organizations have a minimum project fund requirement. Cocal gives a church or team the option to choose how much funds are donated. This year we have several projects that we would like to see realized. Teams should pick one or several of the projects to fund and/or help work on during their trip along with costs of Team outreach. Most 2025 teams will have a construction focus with ministry, unless otherwise requested.

Team Projects and costs:

\$16,000 - Build a mission cabin on the Vision Property! This cabin will serve future mission teams as a home base while you serve in Cocal Gracías.

\$10,000 - \$15,000 Work on various construction projects for the Vision property and the MLV House.

\$4,500 – Drainage project for the MLV house

\$5,000 - Work on the MLV house Kitchen

\$3000- Pour a new patio at MLV so that we stop getting flooded in the rains.

Funds may be given toward a specific project, or given in general to help with several most pertinent projects.

Thank you for your partnership with the Cocal Gracías ministries.
